BRIEF TITLE APPROVAL D		EADLINE REASON			
Combined Weed Control Interlocal Agreement	9/19/11	9/19/11		Approval of Agreement with Lancaster County for Weed Control Program	
DETAILS		POSITIONS/RECOMMENDATIONS			
This agreement updates the combined weed control program approved by both Lancaster County and the City of Lincoln in 1996, with the most recent update being in 2003. The agreement runs year to year until terminated by one of the parties. Changes include more effective notice procedures and creation of a notice of potential lien. Prior program did not provide for lien notification until after the lien was assessed. Some properties changed hands between the control activity and the time of lien assessment, resulting in new owners having to pay for weed control done before they became the owners. City procedures will be similar to County procedures. The Lancaster		Sponso	r	City Law Department
